Spring 2017 Attendance Policy

Regular practice attendance is important to the success of the team and the enjoyment of crew for all team members. Rowers are expected to attend all crew practices and regattas throughout the Spring 2017 Competitive Racing Season. A rower who misses more than **4** practices during the Spring 2017 Competitive Racing Season may lose his or her seat in the boat and not be able to race at the next regatta.

Rowers on the racing team are expected to be available for **all** scheduled regattas. A rower who misses a regatta without approved absence (not considering illness, emergency and personal circumstances outlined or discussed with coaches) will risk losing his or her seat in the boat and not being able to race at the next regatta.

In all cases the coaching staff reserves the right to determine the appropriate action to be taken.

Please read, sign, and return this document of the Spring Crew attendance policy.

We have read Spring Crew attendance policy and agree to abide by it.
